Mrs. J. F. McCubbins,
Salisbury, N. C.
Dear Mrs. McCubbins:

Mrs. Blanche Lampert writes me that you have been for some years engaged in writing a History of N. C., and may be in a position to assist us in tracing our WYATT LINEAGE. It seems as though NORTH CAROLINA would be a terribly large field to cover, and we do not know whether this is a genealogical history, or some other kind that you are compiling. But if it only were a history of Salisbury and the old families, then we would be so glad to have a history of our WYATT FAMILY included, and would be glad to co-operate with you in every way to this end.

We do not know whether our Wyatts came to North Carolina from Virginia, whether they were emigrants from Europe, or whether they went to N. C. with the delegation from Nantucket which included the STARBUCKS, COFFINS, MACEYS, WORTHS, etc. We would be glad to stand any reasonable expense to find out, if there is any one who does such research, and could unearth the facts, for our use, and for inclusion in your history if desired.

John Wyatt of Rowan County, made his Last Will & Testament on 5th of November, 1815, and probably did not long survive, though I do not have the exact date of probate of the Will. In this will he mentions his sons

Eli... (we think this should be spelled Ely)
John
James, and Thomas, and calls William Bean "son"
(probably son-in-law)

Then he sets aside a fund of $130.00 to be equally divided between 6 persons, one of whom is ALLEN WYATT, our great-grandfather, who was born in North Carolina, according to our records in 1778 or 1779, married about 1800 a widow Nancy Williams whose maiden name was Nancy Brooks.

The Will of John Wyatt does not state what relationship this ALLEN WYATT is, and how are we going to find out ? This is very urgent, as our applications to the D. A. R. and S. A. R. are waiting to be completed, besides we want to get our family records in best possible shape. Can you tell us about the records of the soldiers of the Revolution from N. C. ? We want to get this John Wyatt's service record in the Revolution, and the only one we find listed in the NORTH CAROLINA ARCHIVES is one JOHN WYATT OF WARRENTON, N.C. The later census records do not show any John Wyatt in Warren Co., but our John Wyatt turns up in Rowan Co.

If there is any possible way to prove who this ALLEN WYATT was who is mentioned in the Will of JOHN WYATT of ROWAN, dated 1815, we will be glad to pay for the service and for the record. Hoping you appreciate our difficulty, and suggest some way to establish our eligibility for S.A.R. and D.A.R., as well as trace the WYATTS back to England, I am

Very truly,
Harlan Jenks.

One also greatly interested in Allen Wyatt who served in the Rev. War from North Carolina. Land Grants in N.C. Burke County, N.C. Will State.

JOHN WYATT of ROWAN COUNTY, N. C.

NOVEMBER SESSIONS, 1816.

I, JOHN WYATT, of the County of Rowan, etc., being very sick and weak in body, but of perfect mind and memory, etc.,
DATED 5th day of November, A.D. 1815... Probated Nov. Session, 1816.

Leaves plantation and household goods, etc. to wife and son Eli, also

2 acres of land where the LICK CREEK METTING HOUSE NOW STANDS FOR

THE USE OF THE METHODIST & BAPTIST CHURCHES.

To my son John Wyatt, land on south side of the dry branch, and after my son John's death, to his son John.

To my son James, 100 acres on north side of dry branch.

All the rest of my lands I leave to my son Eli, with my sons John, James and Eli, on condition that each of them (these 3), each pay the sum of $40.00 into a fund to be equally divided between the following:

William Bean
Allen Wyatt
Sylvester Wiatt
Betsy Eston, my granddaughter
Thomas Wiatt
Aazer Parks (Ebenezer)

Said money to be paid within three years. My well-beloved sons, William Bean and Thomas Wiatt, sole executors.

Question... How can we prove what relationship Allen Wiatt was to the testator ?
