WYATT

First Generation

1 John WYATT (R:30), born on 26 Apr 1679 in Berkeley Parish, Perquimans Co., North Carolina; died on 26 Dec 1738 in Berkeley Parish, Perquimans Co., North Carolina; buried on 15 Jan 1739 in Will.

Page 36269 of the IGI for Virginia shows: JOSHUA LONG WYATT with parents JOHN WYATT and RACHEL CALLOWAY. The date ca. 1725 is associated with the code "S" and a notation that the entry was altered by members of the family as the birth date of Joshua Long Wyatt. I find his bithdate problematic --1725 more likely his birthdate, however his marriage date would indicate a later birthdate.

"Old Albemarle County North Carolina Book of Land Warrants and Surveys 1681-1706" shows: April ye. 5th 1694: Surveyed for JOHN WYATE, two hundred Eigh_Eight acres of land Lying on Yawpim Creeke in Perquimons Pc__ __ginning at a white oake saplin by the Creeke side Jno. Page 27687 of the IGI for North Carolina batch #5008492 sheet 14 shows RACHEL CALLOWAY having married John Wyatt, 17 Nov 1696 in Perquimans Co., N.C., town of Berkeley.

Family Group Records of Ruth M. Sorensen, 284 East 18th St., Idaho Falls, ID 63404 submitted 1976 show JOHN WYATT as a son of WILLIAM WYATT born ca. 1656 of Perquimans Co., N.C. and JOHN WYATT'S wife RACHEL CALLAWAY. She has the birthdate for John Wyatt as 26 Apr 1679. In this record, John Wyatt is listed as having been married 17 Nov 1696 and died 15 Jan 1739 in Berkeley Parish, Perquimans Co., N.C.

Janet Mask of Gilmer, Texas shows that John Wyatt was born in King and Queen Co., Virginia Ca. 1686, and his father is listed as the Rev. Haute Wyatt, which is IMPOSSIBLE. Wife Rachel Calloway is listed on this record as wife of John Wyatt, she born ca. 1692 in Virginia with son Joshua Long Wyatt born ca. 1725 in Virginia.

"North Carolina Historical and Genealogical Register" Vol. I, No.1, page 81 shows: John WIATT, DAUGHTER Sarah STANDING, BROTHER JOSHUA LONG, son William WIATT, daughter Elizabeth OATES, WIFE RACHEL; January 15, 1739 [appears it references the will of John Wiatt.]

"Old Albemarle County North Carolina Book of Land Warrants and Surveys 1681-1706" North Carolina State Library, Raleigh, N.C. shows the following references to John Wyatt: Surveyed for Jane Charles by vertue of the wth:in Wart. two hundred eighty seven acres of land as by ye. William and Mary Quarterly, Vol. V. page 595 places the death of John Wiatt at 26 Dec 1739 not 15 Jan 1739 as I have recorded.

John WYATT (R:30) married (1) Rachel CALLOWAY (R:286) on 17 Nov 1696 in Berkeley, Perquimans Co., North Carolina (M-101). Rachel, dau. of Joshua CALLAWAY (R:313) and Elizabeth WYATT (R:686), born abt 1680 in North Carolina?.

In a letter from Thomas C. Wyatt, P.O. Box 312, Winnsboro, TX. 75494 I received 11-29-1993, the following was recorded: "My cousin Al Wyatt who had a cancerous prostate operation in February, and whom I have only received one letter since, wrote a letter part of which I have copied for you." FOLLOWS:

John Wyatt and Caleb Callaway were the first two white men in Monroe county, Tennessee. They lived amoung the Indians. They named the river "Yeopim River." John Wyatt was married to Rachel Callaway, dauther of Joshua Callaway. Joshua's Wife was Elizabeth Wyatt. John Wyatt and Rachel Callaway had a dauther named Elizabeth. This all took place in Monroe County, TN. Caleb Callaway willed the big plantation in Monroe co., TN. to his son Joshua Callaway. Then Joshua Callaway died in Perquimans Co., N.C. His will of 23 February 1741 was witnessed by William Wyatt, John Stephey and Thomas Long. The Plantation went to John Callaway. He expanded it from Monroe co., all the way to Georgia, and John Callaway died in Wilkes Co., GA. in 1821.

When Edward Wyatt's son Conquest Wyatt went to Glochester Co., Va., His Brother WILLIAM WYATT, along with four more prominent families of Williambsburg, Va. went along. Caleb Callaway, the Lawrences, and Oats went to Perquimans, Co., N.C. and started a coloney. Therefore all of the children had to marry one another. Old Caleb Callaway was the head of the Coloney. He was a planter and lawyer. The Colony quickly spread to Chowan Co., N.C. Caleb Callaway and John Wyatt went to Monroe, Co., TN. [still part of North Carolina at the time], to acquire more land.

There are no land records to be found in Knox or Monroe Counties in TN. Since there are records to show that some Wyatts were born in Perry Co., TN. and there appear to be records in the Census 1840 for Stewart Co., TN. this may have been where John's children moved. The fact that there are no records in Monroe or Knox Co., TN. makes Al Wyatt's information suspect. William H. Wyatt is reported by the Panola Co., Texas Historical Socity to have been born in Perry Co., TN. This may be where records can be found. Al Wyatt seems to indicate that William Wyatt is the brother of Conquest Wyatt.

Children:

2 M i John WYATT (R:287), born on 31 Jan 1714 in Perquimans Co., North Carolina.

This John Wyatt is found on page 36266 of the IGI for Virginia, batch #8024009 sheet #49, as bening born to John Wyatt and Rachel Calloway 31 Jan 1714 in King and Queen Co., VA.

A reference in "Apprentices of Virginia 1623-1800" by Gill page 19 shows: Alexander Bell, apprentice to Master John Wyatt occupation planter; beginning 18 May 1770.

5 F iv Sarah WYATT (R:627), born abt 1721 in Wight Co., Virginia.

John Wiatt. Daughter Sarah Standing, "BROTHER" JOSHUA LONG [his 1/2 brother], as Rebecca Kent married again after William Wyatt's death],son William Wiatt, daughter Elizabeth Oates, wife Rachel; Jan 15, 1739 Abstracts of Wills, North Carolina Historical and Genealogical Register page 81. This Will Abstract is troubling as it states John Wyatt with daughter Sarah Elizabeth Oats, and names Joshua Long as a brother. Since William, is named as a son with his surname attached, I suspect that Joshua Long is a 1/2 brother. It also suggests that Sarah, his daughter married a man named Standing, and this is not her middle name [see below].

Same reference as above: Edward Standing, of Chowan. July 9, 1718; January 17, 1721; wife Sarah, youngest son John, and Samuel, son William, daughter Sarah. Abstracts of Wills page 76.

Sarah WYATT (R:627) married (1) Mr. STANDING (R:692) (M-213). Mr. STANDING, born abt 1720.

Elizabeth WYATT (R:288) married (1) Joseph [Oats] OATES (R:694) (M-215).

\+ 7 M vi Joshua Long WYATT (R:66).

Second Generation

7 Joshua Long WYATT (R:66), born abt 1725 in North Carolina.

According to Leila B. Lagrone, Panola Co., Texas Historical Society, in the History of Panola County, Texas: Joshua moved to Tennessee from North Carolina.

Joshua Long Wyatt, wife: Elizabeth Scrymshoe and son John Elijah are all found on page #29226 of the Mormon IGI, for Tennessee as of March 1992. It is interesting to note that the IGI lists Joshua Long Wyatt also in Virginia when he and his father were born in North Carolina.

The IGI page #36269 for Virginia batch #F801854 sheet #0032 shows Joshua Long Wyatt with parents John Wyatt and Rachel Calloway. The date is marked "S" abt. 1725 and the Source entry was altered by relatives for his birth. I find that more probable than the 1743 date given by Mrs. Mask of Gilmer, TX. However, his marriage date would indicate birth nearer 1743.

According to "Tennessee Cousins" by Worth S. Ray, 1950 (929.1) there was a Joseph Wyatt who was the ancestor of families who lived in Dyer County, TN. This Joseph Wyatt was born 1796 in North Carolina. RELATIONSHIP UNKNOWN

Frankie Wyatt Miller of Salt Lake City, Utah found the marriage bond for Joshua Wyatt and Elizabeth "Schrimpshire" dated 17 Feb 1768 for Chowan Co., North Carolina. [Perquimans County became Chowan Co] Submitted 1981. [If born 1725, I suspect this to be second wife]

Janet Mask of Gilmer, Texas shows birthdate for Joshua Long Wyatt as ca. 1743 in Knox Co., TN. in her group sheets submitted in 1980 to the LDS. This record shows Joshua Long Wyatt's wife as Elizabeth Scrymshoe born ca. 1747 in TN. Father of Joshua Long Wyatt is listed as John Wyatt and mother Rachel Calloway. On another group sheet #32 of film record F801854, Janet Mask shows Joshua Long Wyatt born ca. 1725 in Virginia. She is obviously unsure of birth date or

location. I find no records in Knox Co., TN.

Mrs. Eleanor Draughon and Suzanne Miller of Chapel Hill, N.C. show Joshua Wyatt having married Elizabeth "Scrimshoe" in Perquimans Co., N.C. on 25 Feb. 1768.

"Apprentices of Virginia 1623-1800" by Gill, page 216 shows: Joshua Robins apprentice to Master Joshua Wyatt occupation wheelwright, beginning 13 Dec 1757. [Source quoted as Northampton County Orders 1753-1758.]

"Abstracts of Wills 1752-1800 for Orange Co., N.C." Will Book "C", page 144 Dated 17 Oct 1796, paved Aug 1799: Joshua Wyatt, wife Elizabeth, sons; Joshua Wyatt, Frederick Wyatt get land bought of Isaac Dorris. Daughters: Elizabeth Wyatt and Mary Simpson. Executors; Wife Elizabeth, sons Joshua and Frederick, Witnesses: Will Wilkins and Mary (X) Wilkins. I do not know if this is Joshua Long Wyatt or not.

Joshua Long WYATT (R:66) married (1) Elizabeth (Scrimpshire) SCRYMSHOE (R:67) on 25 Feb 1768 in Perquimans Co., North Carolina (R-17). Elizabeth, born in North Carolina.

State of North Carolina IGI for Elizabeth Scrimshoe (Scrimpshire/Schrimpshire) is listed with her marriage to Joshua Wyatt on page #277688 batch #8708207, sheet #56.

Other references state the marriage was on 17 Feb 1768 in Chowan Co., N.C.

Children:

8 F i Sarah WYATT (R:625), born on 17 Jul 1769 in Berkeley Parish, Perquimans Co., North Carolina.
9 F ii Mary WYATT (R:626), born on 17 Jul 1772 in Berkeley Parish, Perquimans Co., North Carolina.
\+ 10 M iii John Elijah WYATT (R:64).

Third Generation

10 John Elijah WYATT (R:64), born on 25 Nov 1773 in Berkeley Parish, Perquimans Co., North Carolina.

It is possible that John Elijah Wyatt was enumerated as JOHN Wyatt in Tennessee in the Federal Census of 1820 and 1830.

John "Elijah" Wyatt appears to have been called Elijah, and is listed in the 1840 census for Panola Co., Texas as Elijah Wyatt.

He died before 1850 in Texas where he moved in 1839, settling near Trammel Trace, in the Sugar Hill area.

He is listed with sons William, Robert and son-in-law Terrell Henson in Panola Co. Court Minutes in both 1848 and 1850. Elijah must have died before the 1850 Census, for he is not listed and no further Raod Lists contain his name.

"North Carolina Historical and Genealogical Register", Vol. III, No.3, page 401 shows: John Wyatt, son of Joshua and wife Elizabeth, was born 25 Nov. 1773.

John "Elijah" Wyatt is found on page 29226 of the Mormon IGI, Batch #8013003 serial sheet #25 as of March 1992. This records his birth and parents. Date of birth noted as 25 Nov 1773 MAKES HIM AGE 36 WHEN FIRST RECORDED BRITH OCCURS. This seems a bit old, and may indicate a second marriage.

John Elijah Wyatt is recorded with birth 25 Nov 1773 by Janet Mask of Gilmer, Texas in her group sheets filed 1980 with the LDS. This record also shows him as having a son named Robert born 1817 in Knox Co., TN. and with both wives listed. This would have John Elijah Wyatt at age 36 when Sarah Wyatt was born in 1810. This record also shows father as Joshua Long Wyatt and mother as Elizabeth Scrymshoe. LDS shows wife of John Elijah Wyatt as Unknown born ca. 1788 in Tennessee. Mrs. Mask's dates are not to be assumed as correct.

There are 31 Wyatts listed in Gwathmey's Book of Virginians in the Revolution: Corp. Francis, Capt. Pittman, Elisha, Henry, Cader, Lt. Cary, Sgt. Cary, Edmond, Edward, Elisha, Corp. Francis, Sgt. George, Henry, Cpt. Hubard, Jehu (John), John, Lewis, Peter, Peterson, Pitman, Pittman, Ensign Richard, Richard, Spivey, Stephen, Theophilus, Thomas, Thomas Pitts, Thomas, and William.

Probably some of these are the same individual serving in different units. If John Elijah's birthdate is correct, he would have been too young to have served.

John Elijah WYATT (R:64) married (1) Miss UNKNOWN (R:65) abt 1809 in Tennessee? (M-10). Miss UNKNOWN, born abt 1783.

Children:

11 F i Matilda WYATT (R:55), born abt 1809.

It seems strange that Matilda's father would be age 36 at time of birth???

Matilda WYATT (R:55) married (1) Mr. HOYLE (R:105) (M-25).

12 F ii Sarah WYATT (R:56), born in 1810 in Tennessee.

13 U iii Infant WYATT (R:57), born abt 1813.

\+ 14 M iv Robert WYATT (R:20).

\+ 15 F v Menerva WYATT (R:58).

\+ 16 M vi Washington "Wash" WYATT (R:59).

\+ 17 M vii William H. WYATT (R:34).

18 M viii Edward WYATT (R:60), born in 1829 in Tennessee.

IGI for Mar. 1992 shows Edward Wyatt male, born to John Elijah Wyatt abt. 1829 in Knox Co., Tennessee, Page 29221 Serial Sheet #0030 Batch#F801833.

Edward WYATT (R:60) married (1) Kathryn SCONCE (R:110) (M-28).

19 M ix Thomas J. WYATT (R:61) married (1) N. J. MORRIS (R:111) on 8 Mar 1794 in Wake Co., North Carolina (M-29).

Fourth Generation

14 Robert WYATT (R:20), born in 1817 in Tennessee; died aft 1864 in Texas.

Robert Wyatt found 1860 Census for Panola Co., Texas with his second wife, Theresa Martin. He at age 44 born Tennessee, she at age 36 born Arkansas. With children Eliza, Elijah, Amanda, Daniel, Julia, and Mark all born in Texas. Also found 1850 Census for Panola Co., Texas is Robert Wyatt with wife Louisa Ann Barksdale. She at age 29 born Arkansas, with children: Alfred born Tennessee, Eliza born Texas, Betsey born Texas, and Elijah born Texas. 1850-1860

Robert Wyatt was a Veteran of the Civil War having enlisted very late. He inlisted 18 March 1864 just before the "Battle of Mansfield". He enlisted at age 47, which indicates the urgency of defending East Texas against the Federal Armies. 1864

Stewart Co., Tennessee was formed from Montgomery Co., 1 Nov 1803 and Perry Co., Tennessee was formed from Hickman Co., 14 Nov 1821. Present day Stewart Co., and Montgomery Co., Tennessee are on the border with Kentucky. Perry Co. and Hickman are directly south and central in the state. I believe Perry Co., TN. or Stewart Co., TN. a possible home for Robert and his father.

There is a certain Robert Wyatt in the 1840 census for Stewart county, TN. Since there is a record of Robert's father, John Elijah Wyatt in the 1840 census for Panola County, Texas and having arrived in Texas in 1839, this may account for no records in Tennessee. Robert's first child was born in 1838 in Tennessee when Robert was age 21, all other children were born in Texas.

In 1850 he is in Panola Co., Texas at age 33 born in Tennessee, and again in 1860 on line 22, whith his second wife at age 44. The 1860 census shows son Daniel at age 8 born in Texas. Since Robert Wyatt's second wife was born in Arkansas, it is possible that the Wyatts came to Texas through Arkansas, as many did.

Sources for History of Wyatts: "Coryell County, Texas Families 1854-1985" by the Coryell Co., Genealogical Society, Gatesville, Texas (c) 1986. Lists: Families of Abram (Abraham) Wyatt, son of Daniel and Mary Wyatt and who married Julia Margaret Gates Hooser; Wyatt-Moorhead marriage, and Williams-Wyatt marriage. This Abram Wyatt was related, but just how is a mystery to me.

Gatesville, Texas was named for the father of Julia Margaret Gates Hooser. Abraham was reported to have been born in Perry Co., TN. in this reference. Was Robert and father John Elijah in Perry Co., TN. prior to 1839?

Mrs. Dottye Farmer, Local Historian / Genealogist of the Longview, Texas Public Library, P.O. Box 1952 75606-1952 found the 1850 census which shows the family Wyatt bible to be incorrect. Louisa was in the household of Robert Wyatt in the 1850 census, and therefore did not die in Tennessee. This record also shows that Robert married Theresa in 1850 not 1840 as the bible shows as she is listed in 1860 with two of Robert and Louisa's children, Elizabeth and Elijah. The first child of Robert and Theresa being Amanda born in 1850.

Mormon IGI page 29232 for Tennessee as of March 1992 shows Robert Wyatt born to John Elijah Wyatt 1817 in Knox County, Tennessee. Knox Co., Tennessee was formed from Green, and Hawkins Co., TN. 11 June 1792. No records found in Knox County to varify birth or land records.

"Tennessee Tidbits 1778-1914" Volume II, 1986 shows a court record of STEWART COUNTY Tennessee, Volume 4, Page 66 from 2 November 1813: JOHN Wyatt, Daniel Wyatt, ABRAHAM Wyatt, Thomas Wyatt, Zachariah Wyatt and Solomon Wyatt were ordered to work on a road in Stewart County, TN. The following note was added: [Also in the county were James, ROBERT, Martin, and WILLIAM Wyatt].

Robert WYATT (R:20) married (1) Emily Theresa MARTIN (R:21) abt 1850 in Harmony Hill, Panola Co., Texas (M-8). Emily, born in 1824 in Arkansas.

Children:

20 F i Amanda WYATT (R:22), born in 1850 in Panola Co., Texas.

21 M ii Daniel Boone WYATT (R:6), born on 25 Aug 1852 in Harmony Hill, Rusk Co., Texas; died on 28 Feb 1923 in Roby, Knox Co., Texas.

Tax Records show Daniel Boone Wyatt in Coryell Co., Texas 1884-1906, in Haskell Co., Texas 1903-1907 (possibly land in both counties), in Knox Co., Texas 1908-1909, in Upton Co., Texas 1911-1915, and he died in Knox Co., Texas in 1923. 1880 Census for Coryell Co., Texas shows Daniel Wyat(t) in the home of Samuel Huff as a boarder. The 1860 Census for Panola Co., Texas shows Daniel Wyatt at age 8 in his father's home with wife Teresa Martin. Harmony Hill, Texas [The Handbook of Texas Vol. 2 by Walter Prescott Webb for the Texas State Historical Association, Austin 1952 page 772] is listed as one of the "Ghost Towns" of Rusk Co., Texas located three miles southwest of Tatum, Texas. Laid off on land belonging to John Kuykendall in the Daniel Martin Headright. By 1850 it had become a an important trade center familiarily known as "Nip and Tuck." Near Trammel's Trace, the Grand Bluff Road, and the Old Wire Road it enjoyed much trade. It consisted of eight stores a small furniture factory, blacksmith shops, two churches, a masonic hall and school, and several homes. After the building of the railroads to Hallsville, Tatum and Henderson in 1906, many buildings were destroyed by a tornado. By 1950 it was survived by only a few houses.

Ruth, Texas was another Ghost Town, eight miles southwest of Eden, Texas founded about 1910, eighteen miles from Gatesville named for the Biblical character because the settlement centered around the church.

The Death Certificate for Daniel Boone Wyatt states: cause of death "Chronic Nephritis" died March 1, 1923 in Knox City, Knox Co., Texas. Born 25 Aug 1851 age 71 years 6 mo. 4 days. Born Harmonyhill, Texas, Father Robert Wyatt born Tennessee. Informant was R.L. Wyatt. Buried in IOOF Cemetery. Signed Dr. T.S. Edwards, M.D.

On page 441 of Coryell County Families 1845-1985 is a listing for Dr. W.B. Newland. Dr William Newland delivered several children for Daniel Boone Wyatt. Dr. Newland was a pioneer doctor who practiced medicine out of his home in Fort Gates from 1885 to 1920. He made house calls by horse and buggy. To make money to go to medical school, he made three trail drives from Texas to the Dakotas. On one drive he was 15 miles from the battle of "Custer's Last Stand" but was unaware of its happenings until later. His first birth certificate recorded was that of J.E. Maxwell and his wife Hettie near Gatesville, who had a son born 4 July 1903. Dr. Newland placed an item in the cornerstone of the courthouse in Gatesville, and he donated land for a school named for him.
